Small Group & Spiritual Formation Opportunities

Fall 2010

Why it matters & How we DO IT!

Have you ever thought about theology? Have you ever thought about God? Here's the thing...when you think about God you are thinking about theology and YOU are "setting your mind on things above!" (Colossians 3:2) When we do that we are actually growing closer to Jesus. When we participate in small groups WE ALL WILL grow in Jesus. As people grow in Jesus transformation happens from the inside out.

Check this... Jesus was the originator of small groups! He was always teaching his followers, as they spent time in community/koinonia together. Through those intentional relationships with Jesus the disciples lives were formed, grew and changed. **They were formed more in the image of Christ.** As they shared life together, Jesus taught them how to "do justice, love mercy and walk humbly" with God (Micah 6:8). As the disciples spent time with Jesus they learned about love.

The reality for us is exponential! When we learn about real love and grow in Jesus, we give, serve and love others better. If we are trying to follow Jesus, we believe it's important to try and build more intentional relationships and learn more about who God is and who God is calling us to be.

Don't miss your opportunity to grow this year.
